You will be able to schedule Zoom calls with our students through their provided Calendly links on

<https://portfolioreview.creativecircus.edu>

The students have set aside those three days, from **9am to 7pm** EST to meet with you. However, if you can't make it on those days, you can schedule meetings for future times.

We are grateful for any guidance and assistance you can offer to our graduating class

We hope to see you there, and thank you in advance!

Thank you,
